Dear Jennifer,

Thank you for your support of the 51st Grimes County Fair. The youth of our community will have the opportunity to exhibit their fair projects June 6-14. With your help we will reward them for their hard work and dedication.

Our fair queen contestants have worked hard this year getting ready for the fair. They too have fair projects as well as meeting the requirements of the fair queen contest. Each contestant will present an informative speech, write an essay, and participate in an interview. Our committee is extremely happy to have donations from businesses like yours to reward these young women for their efforts.

Your donation to the Grimes County Fair Queen Contest is greatly appreciated. We could not have created such an exciting and rewarding competition without your support!

St. Joseph Catholic Church sponsored a community-wide drive on September 27th to collect items to send to our American troops who are stationed in Iraq. Approximately 3 tons of items were donated since the drive was first announced in August and contributions of more than \$5,000 were collected to help ship the items to our soldiers. Donations were sent from area churches, schools, civic organizations, businesses and individuals and those who volunteered their time to help on the day of the drive were representatives from area churches, private individuals, Boy Scouts and school groups. We would like to thank the following people and businesses who helped make the drive a reality:
